PLATTE CANYON WATER AND SANITATION DISTRICT

2018 BUDGET REPORT

HIGHLIGHTS

- Revenue of \$3,242,617 and expenses totaling \$4,001,420 will result in a deficit of \$758,803 and a reduction in the District's reserves from \$9,790,442 to \$9,031,639.
- The property tax mill levy will remain at 7.104 mills, the same levy assessed since 2005.
- Platte Canyon will continue to provide administrative and maintenance services to Southwest Metropolitan, Bow Mar, Columbine, and Lochmoor Water and Sanitation Districts and Valley Sanitation District. Revenue received from these services is projected to be \$1,348,110 million which is 41.6 percent of total District revenue.
- Labor and equipment billing rates charged for intergovernmental services will be adjusted and implemented by February 1, 2018 based on actual District costs. No increase in the margin applied to actual costs is proposed.
- No increase in fees, charges or tax levies or new revenue sources are proposed in 2018, other than the intergovernmental services labor and equipment cost adjustment referenced above.
- The 2018 total general expense budget is 5.5 percent more than the 2017 budget.
- The 2018 water and sewer operating expense budget remains consistent with only a \$50 increase over the 2017 budget.

HIGHLIGHTS

- All categories of general expenses, less water and sewer operating costs and personnel costs, reflect a combined increase of \$50,757 from the 2017 budget. Significant increases are found in the Office Lease and Website line items. The budgeted amount for the Office Lease increased \$25,320 due to facility upgrades budgeted by Southwest Metropolitan Water and Sanitation District in which Platte Canyon's cost share is 30%. In addition, the budgeted amount for the Platte Canyon website increased \$17,700, to accommodate a complete redesign that will improve the user experience and be more manageable by District staff.
- Capital expenditures for 2018 (\$1,547,129), \$404,605 less than \$1,951,734 budgeted in 2017, but higher than the average actual 2015-2017 costs (\$989,768). Included in the budget for 2018 is the purchase of a sewer television inspection truck in the amount of \$220,000 and site expansion and improvements to the Scott J. Morse Pump Station property in the amount of \$253,000.
- Three water projects totaling \$675,166 are budgeted for 2018. Two projects will accomplish the lining of 1,485 feet of 18-inch steel pipe and the third project replaces 1,378 feet of 6-inch cast iron pipe that has experienced instances of both electrolysis and beam breaks.
- The 2018 sewer related capital project budget at \$39,650 is significantly lower than the average actual expenses incurred between 2015 and 2017 (\$220,014) due to completing the remaining phases of the small diameter concrete pipe lining project during 2017.
- The capital project budget could be reduced to mitigate the impact on District reserves by phasing the water projects over several years, but would result in higher unit costs due to the loss of economies of scale and very low returns on current District investments.
- The District reserve fund is projected to decrease from \$9.8 million at year end 2017 to \$9.0 million at year end 2018. However, beginning in 2019 the reserve will increase each year to \$14.6 million in 2027. This increase in reserves is primarily due to the decrease in capital projects anticipated over the planning period.

SUMMARY

The 2018 Budget for Platte Canyon Water and Sanitation District has been prepared in accordance with the modified accrual basis of budgetary accounting.

Services to be provided in accordance with the 2018 budget include operation, maintenance and repair of Platte Canyon's 76.3 miles of water distribution mains, 75.7 miles of sanitary sewer collection mains, and one potable water pumping station. In addition to the operation and maintenance of Platte Canyon's facilities, the District will provide administrative, operations, and maintenance services to Southwest Metropolitan, Bow Mar, Columbine, and Lochmoor Water and Sanitation Districts and Valley Sanitation District. Proposed facility maintenance objectives for 2018 are described in greater detail in a separate document titled *2018 Maintenance Goals*.

Total revenue from all sources is projected to be \$3,242,617 in 2018. Total expenditures are budgeted at \$4,001,420, \$277,958 or 6.5 percent less than budgeted in 2017. REVENUE

- Total Revenue in 2018 is projected to be \$3,242,617, \$293,162 more than the amount budgeted in 2017.
- The largest single source of revenue is proposed to be property and specific ownership tax revenue amounting to \$1,754,256, 54.1 percent of total District revenue. A breakdown of assessed valuations and property tax revenue for each county is shown on pages ten and eleven of the budget.
- Sewer tap fee revenue in the amount of \$4,000 is expected in 2018. No water tap fee revenue is expected. No changes in tap fee amounts are proposed for 2018. The water tap fee for a ¾-inch connection will remain \$2,900 and the sewer tap fee for a single family residence or equivalent will remain \$1,000.
- Contract service charge revenue is anticipated to remain the same as 2017 budgeted revenue, \$4,080. Bow Mar Water and Sanitation District service charge revenue consists of an assessment of \$12 per year per residence to transport wastewater from 215 residences in Bow Mar through Platte Canyon's wastewater collection system. Fire hydrant use revenue includes fees assessed for use of District owned fire hydrants. The fire hydrant use fee of \$100 per month per hydrant is not proposed to change in 2018.
- Contract maintenance revenue is projected to be \$1,348,110 in 2018; \$117,638 more than 2017 budgeted revenue. The largest single source of revenue is derived from Southwest Metropolitan Water and Sanitation District. Southwest shares labor, equipment, and overhead costs with Platte Canyon in accordance with a comprehensive cost accounting model. The 2018 budget projects \$1,055,630 in revenue for services performed for Southwest in accordance with an Intergovernmental Agreement between the two entities. Platte Canyon also receives revenue for administrative, operations, and maintenance services provided to Bow Mar, Columbine, and Lochmoor Water and Sanitation Districts and Valley Sanitation District. Services are billed to each of these Districts on a time and material basis in accordance with a rate schedule adjusted annually. Revenue from these entities is projected to be \$292,480 in 2018.
- Investment income in 2018 is projected to be \$132,171, an increase of \$2,271 from estimated 2017 revenue of \$129,900. The average between District investments in 2018 is projected to be 1.35 percent.
