2021 BUDGET REPORT

HIGHLIGHTS

- Revenue of \$3,855,697 and expenses totaling \$5,129,199 will result in a deficit of \$1,273,502 and a reduction in the District's reserves from \$8,958,247 to \$7,684,745.
- The property tax mill levy will remain at 7.104 mills, the same levy assessed since 2005.
- Platte Canyon will continue to provide administrative and maintenance services to Southwest Metropolitan, Bow Mar, Columbine, and Valley Sanitation Districts. Revenue received from these services is projected to be \$1,430,820 which is 37.1 percent of total District revenue.
- Labor and equipment billing rates charged for intergovernmental services will be adjusted and implemented by February 1, 2021 based on actual District costs. No increase in the margin applied to actual costs is proposed.
- The infrastructure fee implemented by the Board of Directors in October of 2019 of \$5.00 per month per ¾" equivalent service connection will continue to be imposed on all District customers. The fee was scheduled to increase to \$10.00 per month beginning in 2021 to maintain adequate reserves and mitigate the impact of the significant water replacements required in the ten-year planning period. Due to shifts in the timing of replacements and adjusted cost projections in the current ten-year financial plan it was determined that the scheduled increases could be delayed a year. Infrastructure fee revenue projected for 2021 is \$400,440 based on 6,674 ¾" equivalent taps.
- Investment income revenue is proposed to be \$148,880 less than the amount budgeted in 2020 of \$184,710. Recent economic conditions have significantly impacted market yields resulting in the decline in investment revenue. Investment yield is estimated to be .4 percent on District invested funds.

HIGHLIGHTS

- The 2021 water operating expense budget increased a total of \$23,000 compared to the 2020 budget. This increase is a result of several planned remedial repairs required on the water system and annual maintenance of the of new water pressure and flow monitoring equipment purchased and installed during 2020.
- Platte Canyon is contractually obligated to pay 30% of all building costs to Southwest Metropolitan. The budget for the 2021 office lease expense exceeds the 2020 budget by \$25,500. The increase is attributable to the need for a roof replacement on the building projected to cost \$90,000 in which Platte Canyon's share will be \$27,000.
- Personnel costs for 2021 are projected to be \$1,881,446, 3.1 percent less than the 2020 budget of \$1,941,890 This decrease is attributed to the anticipated turnover in the Manager position during 2021.
- Software management and technical support services is projected to increase \$17,650 from the 2020 budget of \$78,450 to \$96,100 in 2021. This increase is due to incorporating utility locate ticket processing and pressure monitoring modules into the Sedaru utility management software platform. These enhancements will simplify access and streamline visibility of information.
- Capital expenditures for 2021 (\$2,253,993) are \$247,025 more than \$2,006,968 budgeted in 2020, and \$824,493 more than the average actual 2018-2020 costs (\$1,429,500).
- Three water projects totaling \$1,225,922 are budgeted for 2021. Two projects replace 2,400 feet of 6-inch cast iron pipe and one project replaces 1,900 feet of 8-inch cast iron pipe that have experienced instances of both electrolysis and beam breaks.
- The infrastructure fee was established to generate additional revenue to fund capital improvements, maintain cash reserves and continue to provide the appropriate level of maintenance to the District's water delivery and wastewater collection systems. As part of the annual budget process, the Board of Directors reviews various policy issues related to the overall operations of the District including cash reserve requirements.
- The District reserve fund is projected to increase from \$7.7 million at year end 2021 to \$11.4 million at year end 2030. Steady increases in the infrastructure fee are scheduled between 2022 and 2029 to maintain an adequate level of reserves with the funding of significant capital water projects anticipated over the planning period.

- The average yield on District investments is assumed to be .4 percent in 2021, and then increase to .5% in 2022 and increase by 0.5% per year thereafter to a maximum 3.0 percent. Investment revenue is projected to produce approximately 3.55 percent of total District revenue over the ten-year planning period.
- Income from intergovernmental operating agreements with Southwest Metropolitan, Bow Mar, Columbine, and Valley Sanitation District is expected to produce approximately 31.2 percent of all future District revenue. Intergovernmental agreement revenue is assumed to grow at a rate of 3.1 percent per year throughout the ten-year planning period.
- Infrastructure fee revenue for 2021 is based on an assessment of \$5.00 per month per ¾” equivalent and is expected to produce revenue amounting to \$400,440. For planning purposes, the fee is projected to be \$10.00 in 2022 and 2023, \$15.00 for the years 2024 and 2025, \$18.00 for the years 2026 through 2028, and be increased to \$20.00 for 2029 and 2030. These aggressive increases in the infrastructure fee are necessary to maintain adequate reserves and mitigate the impact of the significant capital outlay that is required over the planning period. Infrastructure fee revenue is projected to produce approximately \$11,933,112 or 22.6 percent of total District revenue over the ten-year planning period.
- Property taxes will produce the largest amount of District revenues between 2021 and 2030 with a total of \$20,591,280 or 38.9 percent of total revenue.
- Operating expenses are projected to increase 2.5 percent per year between 2021 and 2030.
- Capital expenditures (Short-term and Long-term) are projected to be \$19,201,066 between 2021 and 2030, and operating expenses are projected to total \$31,293,726 or 62.0 percent of all District expenditures. A detailed report of capital expenses over the 10-year planning period is presented in the *Capital Improvement Plan for 2021-2030*.
